## Job Description

### Vision To Learn is seeking candidates for the position of Grant Writer/Development Coordinator

**Background:** Vision To Learn is a nonprofit 501(c)3 provider of free vision screenings, eye exams and glasses to K-12 students in underserved communities. The organization uses mobile “vision clinics” – an optometric exam room on wheels – to provide services on-site at schools and community organizations. Vision To Learn is funded in large part by private philanthropy – foundations, corporations, and individuals. We also receive some government-based funding through school districts, city, county, and state institutions.

Vision To Learn is the largest school-based vision care nonprofit in the country. VTL exists to address one basic premise – if you can’t see, you can’t learn. More than 2 million students go to school each day without the glasses they need to see the board, read a book, or participate in class.

Since 2012, Vision To Learn has connected more than 2.75 million kids to care, provided more than 530,000 eye exams and more than, 435,000 pairs of glasses to kids in need, nationwide. We operate programs in 14 states and Washington DC, and are rapidly expanding our work to support kids in communities across the United States. We hope you consider joining us!
