Work with us to make a difference in the underserved pediatric population

Join **Vision To Learn** and make a direct impact in your community by helping provide vision services to school-aged children in underserved communities who would otherwise go without access to care. Competitive pay, flexible schedule, no federal holidays, and no nights or weekends (other than very select voluntary exceptions).

About Vision To Learn

Vision To Learn is the largest school-based vision care nonprofit in the country. VTL exists to address one basic premise – if you can't see, you can't learn. Vision To Learn provides eye exams and glasses to students in underserved communities at no charge to the student and their parents to help them succeed in school and in life. Founded in Los Angeles in 2012, Vision To Learn has since expanded to schools across the country. Vision care is critical as 80% of all learning during a child's first 12 years is visual, we work to solve the problem of lack of access by partnering with school districts to provide eye exams and glasses at no charge to families. We have provided over 3 million vision screenings, 600,000 eye exams and 505,000 new, prescription glasses in the last decade.

Who We Are

We are friendly, high energy, knowledgeable, and detail-oriented professionals committed to Vision To Learn's mission. We approach our work with a value system of service excellence, empathy, integrity, open communication, empowerment, and an eagerness to help the communities we serve.

Position Description
