

Licensed Optician - New Jersey

**About Vision To Learn:**

**Vision To Learn** is the largest school-based vision care nonprofit in the country. VTL exists to address one basic premise – if you can't see, you can't learn. Vision To Learn provides free eye exams and free glasses to students in underserved communities to help them succeed in school and in life. Founded in Los Angeles in 2012, Vision To Learn has since expanded to schools across the country. Vision care is critical as 80% of all learning during a child's first 12 years is visual, we work to solve the problem of lack of access by partnering with school districts to provide eye exams and glasses at no charge to families. We have provided over 2 million vision screenings, 410,000 eye exams and 330,000 new, prescription glasses in the last decade.

In exciting news, Vision To Learn has been selected by two-time Pulitzer Prize winning New York Times columnist Nicholas Kristof as a recipient of the 2022 [Holiday Impact Prize](https://kristofimpact.org/) recognizing non-profits helping children in need through outstanding, heroic work that changes communities for the better. <https://kristofimpact.org/> <http://tiny.cc/VTLKristof>

The work done by VTL has also been featured in *The Washington Post*, ESPN, PBS News Hour, countless local television pieces and newspaper articles. VTL was commended by the US Senate in a bi-partisan resolution signed by 43 Senators. In terms of evidence-based service, glasses provided by VTL have been found to have a high impact on the academic success of students by researchers at UCLA Mattel Children's Hospital and Johns Hopkins University.

We are looking for a Licensed Optician like you to join our team with a positive, proactive attitude, and commitment to our mission.
