Vision To Learn is the largest school-based vision care nonprofit in the country. VTL exists to address one basic premise – if you can't see, you can't learn. Vision To Learn provides eye exams and glasses to students in underserved communities at no cost to them or their families to help them succeed in school and in life. We have provided over 3 million vision screenings, 600,000 eye exams and 500,000 new, prescription glasses in the last decade.
